

# Music Summer Work

---

## Analysis

### Task

Write an account of your favourite piece of music, in at least 500 words. Think about its musical features and

### Description

Read about and listen to a diverse range of music from the Renaissance onwards. See if you can work out what features are typical of each period of history.

Spotify and similar digital streaming services are an excellent place to start, since they give fast access to the widest variety of music.

For scores, [IMSLP.org](https://imslp.org) is has one of the most comprehensive free libraries available.

## Theory

### Task

Complete a Grade Five Theory past paper of your choosing.

### Description

Revise your Grade Five theory topics. If you have not yet taken the exam, work hard at this over the summer, as you will need to take it when you get here.

We can help you with this, but an understanding of theory is essential if you are to keep on track with the course.
