

Photography Summer Work

1st year (new) students

An illustrated essay that shows understanding of;

- The Elements of **Composition** -

Describe and explain the use of - *golden section, rule of thirds, leading lines, focal points, balance etc.*

Being an illustrated essay, examples and images need to be included; these could be photographs from the internet but better to show examples of your own work.

Work to be collected assessed in September and will form part of the coursework.

2nd Year

A draft of the essay that includes at least 2 sets of your own photographs, and analysis of at least 2 photographers.

Continue to take photographs and develop your personal project .

For help with these tasks refer to the help sheets provided on –
