

# Tutorial Newsletter

**Week Beginning: 11<sup>th</sup> May 2020**

Welcome to issue eight of our tutorial newsletter. We hope you are well and are now clear on whether your courses are continuing or not. For our second year students, who are looking at their next steps, we have information in here for you regarding your UCAS application and Student Finance. Please do take the time to read this and if you need any further clarification, speak to your tutor.

## RAG grades due by 12pm Tuesday

All students on continuing courses will continue to receive a weekly RAG mark to represent the quality of their engagement with the remote working tasks they have been set. Teachers and tutors will be following up any concerns that they have and contacting parents where necessary. The grades essentially mean the following:

RED	No student engagement (this might not be your fault, but could be due to illness or IT issues. In this instance, please let your tutor know.)
AMBER	Some student engagement, but poor quality of work.
GREEN	Student is fully engaged and producing good quality work.

## STEM Online Virtual Summer School Programme:

### **Summer Internships In STEM-Related Careers**

**Live & Online**  
*For Ages 15-18*

**August 2020**

**Investment Banking. Medicine. Engineering. Psychology. Computer Science.  
Architecture. Entrepreneurship.**

**We are delighted to offer STEM-related Summer Internships in 7 different industries 'Live & Online' throughout August, which students aged 15-18 can register for now.**

**On these Internships, students can gain invaluable summer work experience from the comfort of their own homes; with successful Doctors, Engineers, Computer Scientists, Investment Bankers, Psychologists, Architects and Entrepreneurs.**

**All our 'Live & Online' Summer Internships last 4 days and take place in July and August.**

**The first 3 days are dedicated to immersive experiences of that career alongside top professionals and Q&A/virtual networking time with them.**

**Day 4 is dedicated to personalised career coaching - a sector recruitment expert will look at your credentials and create a bespoke development plan so you can maximise your chances of success.**

**You can choose to attend either all 4 days or just the first 3.**

## **Internships, Highlights & Dates**

1st - 4th August OR 29th August - 1st September

- Take part in a patient consultation with a GP

- Shadow doctors on a simulated ward round
- Personalised medical school application coaching including mock interviews

1st - 4th August OR 29th August - 1st September

- Design an Artificial Intelligence solution to an environmental crisis
- Experience a live engine teardown and explore automotive design
- Design a space expedition into the unknown

For more information or, to book a place, please go to the following website:

<https://investin.org/collections/live-online-internships>

**Free STEM Resources from the MET Office!**

At the Met Office, we're keen to do whatever we can to help schools during these uncertain times. Whether it's giving staff quick and easy ways to set remote work, or keeping students motivated with their learning at home, our free materials can support Wyke Sixth Form College's planning.

For further information,

<https://www.metoffice.gov.uk/weather/learn-about/met-office-for-schools/resources-for-11-14/>

**Clue them up on climate change *\*new\****  
We've launched a new suite of resources that explore the impacts of climate change, now and in the future.

**Raise aspirations and help them shine**  
Uncertainty about job prospects is a big concern for many young people\*. These careers based materials help inspire them to look positively to the future.

**Calling in the fake news busters**  
Now more than ever, the news can be daunting for many young people. This lesson helps equip them to confidently assess what they see in the media.

**We salute you, weather warriors**  
These social action focused resources explore and celebrate the stories from those keeping our communities safe.

### **The Sutton Trust Summer School:**

The Sutton Trust Apprenticeship Summer School will be delivered digitally in partnership with leading employers for Year 12 students. The programme is designed to help you make an informed decision about your future career and will take place in July.

You will gain an in depth understanding of degree apprenticeships, what they involve and whether a degree apprenticeship is the right choice for you. You will hear from current apprentices, experience networking opportunities, attend interactive digital sessions hosted by employers and learn the different application processes employers use. The programme will be delivered through live interactive sessions, webinars, Q&A panels, pre-recorded videos, group work and other online resources.

Applications close on 28<sup>th</sup> May 2020. Register your interest now by going to:

<https://www.suttontrust.com/our-programmes/apprenticeship-summer-school/>

### **Letter from the Chief Executive of UCAS:**

Please see the letter below that has been sent out to all students with a university application in with UCAS. There is a link in this letter to some further information from the Universities Minister, Michelle Donelan, which may assist you. Please don't forget to submit your Student Finance application by 22<sup>nd</sup> May.

[View online](#)

Please see a letter below from the Universities Minister, Michelle Donelan, with an update on Government support to universities and students.

Whilst there is considerable uncertainty for everyone right now, I would encourage you to continue with your application. You will be in the best possible position to make decisions about your future if you start by making your firm and insurance choices, and make your [student finance application](#) by the Student Loans Company's deadline of 22 May.

You don't need to wait until the June deadline to reply to your offers – do your online research and then make your firm and insurance choices as soon as you are ready in [Track](#).

If you have any questions, please join me, the Universities Minister, and Mike Nicholson, an expert in university admissions, for our [Facebook](#) Live session tomorrow, Tuesday 5 May, at 16:00 (UK time).

Stay safe and take care.

Clare Marchant  
Chief Executive  
UCAS

### **Big White Wall:**

With Mental Health Awareness week coming up next week, Big White Wall are focusing on positive coping strategies in these very uncertain times. We will be promoting these on all our social media platforms:

## ***UCAS Information / Employer Engagement***

### **Thinking of studying medicine at university?**

Everything you need to get into Med School, all from your own home!

From Monday 29<sup>th</sup> June to Friday 3<sup>rd</sup> July, you can join a week of seminars, competitions, access to the Medlink Exhibition and much more!

Interact with and learn about Medical schools and universities from all around the country and the world, all in one place, as well as institutions such as the Royal College of Surgeons.

As well as everything you'll find in the exhibition you'll have access to FREE seminars on every aspect of your application to university.

Not only that, the more you interact, the more free stuff you can get access to!

This is open to students, teachers, parents, school parties and ANYONE in interested in a career in medicine or the health sciences.

For more information, please go to:

<https://www.eventbrite.co.uk/e/medlink-free-2020-tickets>

### **JVENN and Holbeck Scholarships**

Calling all second years! You still have time to apply for these scholarships! If you are intending on going to university this September, then you still have until 15<sup>th</sup> May to apply for either one of these scholarships. Please contact your tutor or Sarah Beech for further details.

### **EY Work experience and Apprenticeship Seminar**

On Tuesday 12<sup>th</sup> May between 4-5pm, EY are hosting an insight webinar about their Business Academy and Apprenticeship programmes. This will be a great opportunity for you to learn more about EY, our service lines and our opportunities. We'll provide some further hints and tips to try and help you succeed in our application process. You'll also be able to ask any questions you may have to our student recruitment team and current Apprentices.

To sign up, please click on the link in the email sent to you by Vicky Riseham.

### **Apprenticeship Vacancies:**

### ***Message from Paul Britton:***

“Hello everyone,

I hope you are getting to enjoy the superb bank holiday sunshine. Despite the lovely weather, lockdown is beginning to feel a bit long so please do get in touch if you are struggling, all the team are still working and want to help. I continue to be extremely proud of how you have all engaged with remote working, it has been very impressive to see, keep it up!

As some of you may know, I am expecting my fourth child and the due date is tomorrow. So, it may be a couple of weeks until you get another email from me but the team will be keeping you updated.

Keep working and keep safe,

Paul”
