

Payment at Enrolment 2020

Wyke Hardship Fund

The Wyke Hardship Fund is a further way in which the college supports all students to be able to access their education. The Fund is made up of voluntary donations by parents and staff. The funds are used to ensure that students in financial difficulty have access to the equipment they need, are able to access events such as trips and speakers that will significantly improve their education and get help to attend activities supporting their next steps such as university open events. Following enrolment, we are asking parents to make a voluntary contribution of £20 to support this fund. Students will not be treated differently according to whether they have made any contribution in response to this request. These donations do make a big difference to some students, so they are much appreciated.

General costs

Students should expect to supply for themselves a file, paper and writing materials for each subject and make themselves aware of any additional costs relating to specific courses, details of which will be provided before enrolment.

Travel Passes

Full details on costs and how to purchase bus and minibus passes can be found on the enclosed Wyke Transport Information Sheet. To travel on the College East Yorkshire Buses service, we recommend that you buy an 'e' ticket no later than **Tuesday 8th September 2020**. To purchase an East Yorkshire Buses 'e' ticket you will need to download the free East Yorkshire Buses App onto your phone to buy an 'e' ticket (just search East Yorkshire Buses in your phones App store). Tickets can be purchased from GCSE results Day on Thursday 20th August 2020. Exceptions can be made to this system if a suitable device is not available to operate the East Yorkshire Buses App. Please contact Alan Woodcock at the college on 01482 346 347 or a.woodcock@wyke.ac.uk if this is the case. **PLEASE NOTE:** an e-ticket is only required for travel on Zones 1 and 2. A charge of 75p per journey can be paid with cash on routes closer to the college.

To purchase a College **minibus pass** you will need to log on to your ParentPay account. This will be available to pay within the first few weeks of term. Arrangements will be made for students to travel on the minibuses in the interim period until payment can be made.

TOTUM Cards

The TOTUM card provides proof of student status and NUS membership. It is also an International Student Identity Card, for use abroad. In addition, card holders benefit from a wide range of discounts, locally and nationally. They are available to all students who want one.

TOTUM Cards can be bought online <https://cards.totum.com/join>

The card can be delivered to your home address or the College for collection.

The cost of the card starts from £14.99.

Additional Costs

There are some additional costs associated with particular subjects which are payable during the academic year by students enrolled onto those courses. Details of the actual cost and payment dates will be available via your ParentPay account within the first few weeks of term, or at appropriate points in the academic year. Some costs are payable through a third party supplier, and these subject costs are detailed overleaf.

Subject (A level unless shown otherwise)	Cost
Accounts	You will be expected to purchase 2 text books total £25.00.
Art subjects (Art & Design, Graphics, Photography)	<p>Our Art & Design courses supply resources to enable you to be successful in your studies. However, we are able to offer higher quality materials, through a local supplier at a discounted rate. These 'art packs' consist of subject specific sketchbooks, drawing equipment, mounting materials and a folder for transporting work to and from College. The pack will be available to purchase on Parent Pay at the start of term and students will have an opportunity to declare their interest at enrolment. The cost of this pack is still be confirmed, but it is likely to be between £15 - £25 depending on the subject being studied.</p> <p>For Photography, access to a DSLR or other digital camera would be an advantage.</p>
Business A Level	You will be encouraged to attend a revision conference in Year 2 current cost £30.00. Revision guides are also available ranging from £5 to £15.00.
Business BTEC	Two compulsory curriculum trips take place, one costing around £10 and one around £30. There is also an entry fee for the Business National Skills Challenge which is around £10.
Creative Media Digital Production BTEC	Students will need a 16GB SD card costing around £10 for filming productions and a 500GB hard drive costing around £20 for saving all work. DSLR cameras are available for booking if students do not have access to one personally.
Dance (A Level and BTEC)	A compulsory Wyke t-shirt as part of your practical uniform, which costs £15 and can be purchased on: http://www.3qsports.co.uk/Wyke-Dance Other additional kit is available to purchase as you wish, but please ensure you have appropriate all black kit ready for practical lessons. Practical will always be bare foot.
Drama and Theatre Studies and Performing Arts BTEC	A compulsory Wyke t-shirt as part of your practical uniform, which costs £15 and is available from http://www.3qsports.co.uk . Three theatre visits are required at an average ticket price of £10-15 (total approx £50). You must have a USB Memory stick for exclusive use on the course with at least 3GB of space, at a cost of around £5.
Economics	You will be required to purchase Economics Theme Books 1-4 at a cost of £28. In Year 2 you will be encouraged to attend a revision conference the current cost is £50.
Engineering	You need the Casio fx991EX (Classwiz) scientific calculator. These are available from retailers for around £24.
Film Studies	Portable 1TB hard drive –costing around £40 for both course work and written work. SD card - minimum 8 GB (around £10).
Geography	A field work visit to at a cost £8 and a textbook at a cost of around £37
Health & Social Care Diploma - Level 2 & 3	See work experience section
Mathematics	You need the Casio fx991EX (Classwiz) scientific calculator. These are available from retailers for around £24. A text book is also required which is available from the College costing around £15.
Mathematics – GCSE and Core	You need the Casio fx-85GTX scientific calculator, which costs around £13, or can use your previous school calculator if you have this available.
Media Studies	Portable hard drive – minimum 500GB costing around £10 for both course work and written work. SD card - minimum 8 GB (around £10). Two student guide text books are also needed costing around £10-£13 each
Modern Foreign Languages (French, German and Spanish)	You will need to purchase grammar workbooks through Parent Pay at a cost of £10 for Year 1 and then £10 in Year 2 for revision workbooks. We recommend buying your own copy of the film we study (and book if you want to annotate it) for about £10. You will need to supply your own earbuds/headphones which are compatible with college computers.
Music Lessons	The cost of instrumental lessons is 300 pounds a year for 30 lessons if studying Music A level of Music Technology. The cost is 450 pounds per year for 30 lessons if you are not studying these subjects. The amount is per instrument. The lessons are 30 minutes long, and are usually timetabled during the Wyke day.

Music Technology	You will need a pair of closed-back headphones (£25 - £50) earbuds are not good enough! The department is happy to give specific advice on this. You will also need access to a USB 3.0 hard drive, minimum 500GB (around £40). You may wish to purchase a MIDI keyboard to practice and record music at home these range from £50 to £250 depending on features. Advice will be given on this and please note these items are not mandatory for you to begin the course but will be helpful for you as you progress.
Print Credits	An allowance is made of £5 credit per half-term but additional printing above £5 is paid for by the student (2p per b/w page, 5p per colour page). BTEC students receive an additional £5 per half term. Art students receive an additional £5 per year.
Religious Studies	An essential revision guide is required at a cost of around £19.
Science – Applied Science	There are two compulsory curriculum trip costing around £11 and £7
Science – Biology, Chemistry, Physics, and GCSE	Scientific calculator, Casio fx991EX (Classwiz) costs about £24
Sport BTEC and A Level PE	£35 for College PE practical kit (Wyke hoodie and polo). To be purchased via http://www.3gsports.co.uk/PE-Sports-Studies
Sports Teams Enrichment	Students joining Wyke Sports Teams pay £20 for a training top for their team via http://www.3gsports.co.uk/Wyke-College-Shop The Sports Team Subscription is £10 per season.
Work Experience	None, but students have to make their own travel arrangements to placement and there is no support available for work experience travel costs except for students who have already been assessed as eligible for the 16-19 Bursary Fund, or in exceptional circumstances. Students shouldn't need to spend money on clothes or equipment for their placement, but should bear in mind that all placements require students to be dressed appropriately.
