

Tutorial Notices: Autumn Term #2

Welcome to the second edition of the tutorial newsletter. We hope that you have now settled into a good routine with both in-college and remote learning. We also hope that when you are in college, you have been able to take advantage of some of the enrichments on offer and now know your way around the college site if you are new to Wyke.

If there is anything you would like including here, please send an email, along with any pictures or photographs to student.newsletter@wyke.ac.uk and we will endeavour to send this out in the next edition.

Face Coverings:

We will be stopping giving out masks at the entrances to each building from Monday 5th October. Students are expected to wear face covering in the corridors, in social spaces and importantly, on the transport network.

Any student that forgets their face covering must report to the main office and collect one. The staff in the office will distribute masks for free, but student details will be logged and disciplinary warnings will be issued if you forget your face covering on three separate occasions. Of course, if you are exempt, please do let us know and this will not be logged.

Please take responsibility for wear a face covering on site and on ALL transport networks.

Stay Alert and Keep the College Open!
