## April'S FAQs

**Scholarships & Grants for University:** Have you checked to see if you're entitled to any Scholarships & Grants? Search and apply for scholarships, grants or bursaries for UK Universities on [The Scholarship Hub](#) which contains a range of funding for undergraduates to reduce your student debt. Scholarships, grants and bursaries DO NOT need to be repaid; they are **FREE** money! You can create a free account and then search for scholarships based on your course, the institution or the reason for the award, or any combination of these. If you are looking for scholarships that are not specific to one particular university or subject, select "Open to any university" or "Open to any subject"

**Gap Year Week:** What opportunities are there if I take a Gap Year? A gap year offers you the opportunity to gain skills and experiences, while giving you time to reflect and focus on what you want to do next. A productive gap year can be valuable on your CV – many employers value the experiences students have gained if you've actively managed your time, set yourself goals, and stretched yourself. We will be holding a [Gap Year Week from the 12<sup>th</sup> April](#) for you to explore a range of available options.

## UPCOMING DATES
