

# Photography Summer Work

1st year (new) students

An illustrated essay that shows understanding of;

- **The Elements of Composition** -

- *Describe and explain the use of –*

- *golden section*
- *rule of thirds*
- *leading lines*
- *focal points*
- *balance*
- *points of interest*
- *texture*
- *pattern*
- *depth of field*

Being an illustrated essay, examples and images need to be included; these could be photographs from the internet but better to show examples of your own work.

Work to be collected assessed in September and will form part of the coursework.

*For help with these tasks refer to the help sheets provided on –*
