## Inside Aldi: Britain's Biggest Discount Store

### Part 1 Channel 5 Documentary

A good business student not only knows their theory, i.e. the content that is on the specification, but also thinks business.

Business is a subject that surrounds us all day every day. We start to spot the actions taken by businesses and ask "Why?"; we start to question how we interact with business and the factors that influence our decisions; we start to question what is happening in society and the economy.

A good business student is inquisitive.

Start by thinking about what you already know and what your perceptions are. **In less than 15 words sum up what you think about Aldi.**

### Who are the key players in the UK's supermarket industry?

The pie chart below shows what percentage of the market the 6 biggest UK supermarket chains control. Use your existing knowledge of the industry to try and identify which segment of the chart represents which supermarket chain. (10% of the chart can just be labelled 'other').

Market share in the UK supermarket industry

Check your answer, Supermarkets. [https://drive.google.com/open?id=1ebzCf6\\_2Uu7rNbUmBAJ-ayEWMyhHy-Rv](https://drive.google.com/open?id=1ebzCf6_2Uu7rNbUmBAJ-ayEWMyhHy-Rv)

**Market share** is the % of an industry controlled by one business. In the example above we could say that:

\_\_\_\_\_ is the dominant business in the UK supermarket industry with a market share of \_\_\_\_%. We call this application, applying our knowledge to a specific business or industry.

We would describe the industry as competitive. What do you think this means?

---

---

A business will take actions to try and gain market share by having a **competitive advantage**. This means a feature or features of the business that allows it to perform better than others in the industry.

Watch the first part (approx. 15 mins.) of the Channel 5 documentary “Inside Aldi”.

<https://www.channel5.com/show/inside-aldi-britains-biggest-budget-supermarket/>

**Draw a spider diagram** to show any actions that you think Aldi takes to gain a competitive advantage.

Whilst watching the video you were introduced to some key business concepts.

The **marketing mix** is the combination of elements of marketing that are used to influence customers buying habits. The four Ps of the marketing mix are product, place, price and promotion. For our exam board there are **seven Ps**, this includes people, physical environment and process.

Is there anything you could now add to your spider diagram?

Aldi gains a competitive advantage by charging low prices. It achieves this by making cost savings.

Watch this short YouTube video to learn about total costs. You may want to download the note taker document here to support you whilst watching this clip.

In business you will learn a lot of new terminology. In this section you have been introduced to 6 key terms.

- Market share
- Competitive advantage
- Marketing mix
- Total costs
- Fixed costs
- Variable costs

You will also be expected to gain confidence in quantitative skills.

So far you have been introduced to quantitative skill (QS) 9: *interpret, apply and analyse information in written, graphical and numerical forms*

## Inside Aldi: Britain’s Biggest Discount Store Part 2 Channel 5 Documentary

In year 1 of Business a lot of the content covered is about **tactics**. These are short term actions taken by a business. In year 2 you study more about **strategy**. These are the medium to long term actions taken by a business.

In the first part of the programme you watched, there was a statement made about the growth of Aldi in the UK: “It is nothing but good for the supermarket industry and for shoppers”.

The industry would include competitors and suppliers. Shoppers would include customers and the community. These are called **stakeholder** groups. A stakeholder is anyone who is affected by or interested in the actions of a business. Consider the extent to which you agree with this statement based on each stakeholder’s point of view. Justify your decisions.

Stakeholder	Strongly agree							Strongly disagree		
Competitors	10	9	8	7	6	5	4	3	2	1
Justification										
Suppliers	10	9	8	7	6	5	4	3	2	1
Justification										
Customers	10	9	8	7	6	5	4	3	2	1
Justification										
Community	10	9	8	7	6	5	4	3	2	1
Justification										

Watch the second part (approx. 15 mins.) of the Channel 5 documentary “Inside Aldi”. Add to your spider diagram to show any actions that you think Aldi takes to gain a competitive advantage. <https://www.channel5.com/show/inside-aldi-britains-biggest-budget-supermarket/>

What evidence is there of Aldi successfully cutting costs and increasing efficiency?

---

---

---

---

A topic you will study in year 1 is **motivation**. Motivation is the reasons why people behave in the manner that they do. A business that can motivate the workforce is likely to gain a competitive advantage. Motivation can take the form of financial incentives e.g. bonuses and non-financial incentives e.g. increased responsibility.

What evidence is there of Aldi motivating its workforce?

---

---

---

---

Business is sometimes a power battle. Big businesses will use their power to influence suppliers. This can be in the form of forcing suppliers to offer lower prices or, in the video you have viewed, forcing suppliers to stop supplying products to a competitor.

Why do big businesses have power?

---

---

---

**Ethics** is behaving in a way that is thought to be morally correct. To what extent do you think the big supermarkets behaved in an ethical manner when faced with the threat of Aldi entering their market?

---

---

---

**Branding** is a promotional method that involves the creation of an identity for the business that distinguishes the business and its products from its competitors. How important is branding to you?

For each of the following products, rate how important brand is to you: 10 being I only ever buy one brand and 1 I will buy any brand.

If you have a favourite brand what is it and why?

Product	Importance of brand 10-1	What and why
Baked beans		
Cola drink		
Bottled water		
Trainers		
Chewing gum		
Chocolate		
Pens		
Note pads		
Batteries		
Smart phone		

How has Aldi challenged our perception of brands?

---

---

---

In 2013 Aldi had 300 stores in the UK. By 2017 this had increased to 600 and 874 by 2020. An important quantitative skill in Business is the ability to calculate percentage change. Fill in the table below to show percentage change between these years. If you are unsure how to do this watch the following YouTube clip <https://www.youtube.com/watch?v=FOsrkEiZUlg>

	2013	2017	2020
	300 stores	600 stores	874 stores
% change:	2013 – 17:		2017 – 20:

In business you will learn a lot of new terminology. In this section you have been introduced to 6 key terms.

- Motivation
- Ethics
- Branding

Marketing	Finance	People	Operations/resource management
Branding Competitive advantage Market share Marketing mix	Cost savings Total costs	Motivation	Location Efficiency

## Inside Aldi: Britain’s Biggest Discount Store Part 3 Channel 5 Documentary

All business courses cover **legal structure** or **business ownership**. This is the legal ownership that a business adopts. This can be **unlimited liability** businesses such as a **sole trader** or **limited liability** companies, be they publicly or privately owned.

Unlimited liability means that the personal assets of the owner(s) are at risk. This means if the business got into debts the owner may have to sell their personal possessions to cover this debt. For example, a sole trader may have to sell their family home and car to cover the debts of the business.

Limited liability means that the owners are only responsible for, and therefore only risk losing, the amount they have invested or promised to invest. Their personal belongings are safe.

Watch the third part (approx. 15 mins.) of the Channel 5 documentary “Inside Aldi”.

<https://www.channel5.com/show/inside-aldi-britains-biggest-budget-supermarket>

What is the legal ownership of Aldi?

What are the advantages and disadvantages of this over being a public limited company?

Advantages to Aldi	Disadvantages to Aldi

C1 – Supervisory, clerical or junior professional such as teachers and junior managers
